-KSCASI conducted case discussions, mortality and morbidity meeting and journal club on regular basis.

-MIDCON 2023 - the midterm conference of KSCASI was conducted from-12th 13th August at Sri Devraj Urs Medical College Kolar by Kolar city branch. More than 300 postgraduates attended the conference thanks to the organising team headed by Dr. Sriramulu.

- KSCASI had organised free health check-up camp for tribal population surrounding Karapura and forest department staff.

A family get-together with stay was organised at world famous Kabini jungle resort for family members of KSCASI with great bonhomie and friendship. Thanks to Dr. Venkatachala for organising the program.

-As emphasized by Jim Yong Kim (President of World Bank 2012- 2019) that surgery is "indivisible and indispensable" part of health care, and it is not complete without surgeons and surgical care. 25th June every year is declared as Surgeons Day by ASI Karnataka State Chapter and all city branches agreed to the proposal and planned several activities around that date.

The purpose was three-fold.

1. It was an opportunity to celebrate the vital role that surgeons play in healthcare and to highlight their hard work to the public through press briefings, articles in media, walkathon, free consultation, free surgeries, blood donation camps etc.
 2. To upgrade the skills and knowledge by guest lectures, orations.
 3. To motivate surgeons to undergo a master health check up on this day and stay fit to serve the community and take care of their own family.
- It was a huge success and all the city branches responded to the call and celebrated surgeons' day by doing innovative activities.

KSCASI brought out a souvenir "SURGISCOPE" on the eve of Surgeons' Day and I thank Dr Anupama Pujar, the editor.

-The academic programmes were held in ASI city branches including Belagavi, Vijayapura, Bagalkot, Ballari, Tumkur, Shivamogga, Udupi, Hubli-Dharwad, Vijayanagar, Kolar, Mandya, Mysuru, Bengaluru. There were many operative workshops and basic surgical skill courses. The Bangalore city branch is a very large branch with more than 800 members and conducts excellent activities including the hugely popular week long CSEP.
