

Respected sir,

I am glad to inform you that BAGALKOT city chapter branch conducted a successful free surgical camp at Guledgudda CHC on 19.03.2017

This camp was conducted in association with DEPT OF HEALTH & FW, DEPT OF SURGERY, and SNMC BAGALKOT.

It was indeed very successful; we performed 10 free surgeries in selected patients. And many more patients were screened on out patient basis & optimal surgical advice was given.
