

ACTIVITIES REPORT OF SURGICAL SOCIETY OF BANGALURU ASICC – JAN – JUNE 2018

I acknowledge with sincere thanks all the help of honorable members, seniors, mentors teachers and friends during the LAST 6 MONTHS tenure in successfully, satisfactorily and gracefully.

We started the year with first executive committee meeting (Executive Committee Meeting) on 9 January 2018 along with senior surgeons and all the heads of the Institutes taking part in the academic activities of the society, which was well attended and work was carried forward keeping in mind all the suggestions. It was unanimously agreed to intimate the members about the activities electronically by email, Whatsapp message and on the website. We formed various whatsapp Groups involving EC members, postgraduates and Monthly Clinical Meetings and progress was reviewed in the subsequent EC meetings so as to remain efficient: -

The monthly clinical meetings (MCM) were all held at the central location, API Bhavan except for the Command hospital MCM. In all MCM post graduate teaching sessions were conducted from 6.30 pm. The attendance were excellent most of the Postgraduates In Surgery from Various Teaching Hospitals were actively participated. This was followed by poster presentation and free paper presentations. The clinical meetings were all excellent with good quality scientific papers and well attended by senior members as well as consultants from various teaching and non teaching hospitals in the city. Apart from these MCM

The society was associated with many other programs;
