

ACTIVITY REPORT OF BALLARI BRANCH JULY-2019

President : Dr. Prabhu Hubli
Secretary : Dr. Khalid Muqeem

Bellary Surgical Society, branch of KSC-ASI, conducted a CME on Paediatric Surgery, in collaboration with IMA Ballari, on Sunday 28th July 2019 at IMA Hall, HQH campus, Ballari, from 11:00 am. Dr Diwakar Gaddi, MCh, Paediatric Surgery, VIMS and Secretary KSC-ASI, graced the occasion, and also he was one of the key speakers of this CME. He gave a very simple, yet apparently scary scenarios (especially for parents) in Paediatric Surgery, which are managed, many a times, by simple steps. He very aptly named his talk as "Making Mountain out of a Mole Hill and beyond!!". Dr Manjunath L MCh Paed Surgery, from Davangere, was our guest speaker. He gave a talk on "Paediatric Surgical Pulmonogy", in which he explained about various pulmonary conditions affecting the Paediatric population, which are treated by VATS, VATS-Assisted and open surgery. He showed relevant operative videos too.

Dr.Pavankumar V, Plastic Surgeon, VIMS, gave a talk on "Congenital anamolies of Upper Limb", in which he presented excellent slides, giving us insight into the embryology, clinical presentation to various corrective surgeries of Upper limb anamolies.

And finally Dr. Sanjeev Joshi, MCh, Paediatric Surgery, VIMS, gave a talk on the " Atresias of the gut", in which he elaborated on its definition, types, classification and management.

As the main audience were General Surgeons and Surgical postgraduates, the topics were customized accordingly.

Dr Khalid Muqeem, Secretary Bellary Surgical Society, moderated the event and Dr Prabhu Hubli, President, Bellary Surgical Society, addressed the gathering and gave vote of thanks.

CME was followed by fellowship and lunch.
