## Welcome Note by KSCASI

*Dear Colleagues,*

*It gives us immense pleasure in announcing and inviting you all to the INAUGURAL MIDTERM Conference of Karnataka State Chapter Association of Surgeons of India, being organized at the Sri Dharmasthala Manjunatheswara College of Medical sciences on 5th and 6th August 2017 in the Cultural capital of Karnataka: Dharwad.*

*There have been many advances in the field of Surgery in the recent past and this Conference will be an excellent opportunity for brushing up your knowledge and refining our surgical skills. Great platform for the post graduates to showcase their hard work done & knowledge gained during the course.*

*We urge you to register early and take benefit of the early bird registration fees. Our effort will be to make conference process paperless and web dependant with a green foot print. We eagerly look forward to meeting you in August 2017.*

*See you soon!!*

*Long live ASI*

**Dr. T. Durganna**  
**Chairman**  
**KSCASI**

**Dr. Narayanchandra Hebsur**  
**Hon. Secretary**

## Welcome Note by Organising Committee

Dear Sir,

*It gives us immense pleasure in announcing and inviting you all to the INAUGURAL MIDTERM Conference of Karnataka State Chapter Association of Surgeons of India: being organized at the Sri Dharmasthala Manjunatheswara College of Medical sciences on 5th and 6th August 2017 in the cultural capital of Karnataka: Dharwad.*

*In the last decade the number of medical colleges and number of postgraduate students has increased significantly. Moreover the Medical Council of India and other regulatory bodies have made presentation of a scientific paper mandatory for post graduates. Traditionally the KSCASICON has been the preferred avenue for this activity but due to the sheer numbers there is a significant strain on the ORGANISERS OF KSCASICON. Many papers of high quality are rejected or accepted as free papers; presented in sessions where there are only other presenters and chairpersons.*

*The Karnataka State Chapter has always been at the forefront in training its young surgeons. The midterm has also been designed to provide an innovative and comprehensive overview of the latest research and developments in the field of Surgery, mainly aimed at training the younger generation of surgeons*

*Therefore the office bearers of the Karnataka State Chapter Association of surgeons of India in their collective wisdom have decided to conduct the MIDTERM Conference of Karnataka State Chapter Association of Surgeons of India. It is mainly aimed at postgraduates and young surgeons with the aim of identifying papers of high quality and giving them the audience they deserve and recognition in the form of awards equivalent to the ones awarded at the state conference The organizers have planned elaborate scientific program that Includes Paper presentations (with award for each session) Poster presentations, Clinical Case Capsules, Discussions and operative videos by experts with tips and tricks for budding surgeons. . Eminent surgeons, experts in specialized fields have been invited to deliver guest lectures and share their Expertise.*

*Join us by participating in large numbers and making this event a grand success.*

*With warm Regards*

*Prof. Dr. Mallikarjun Desai*  
**Organising Chairman**

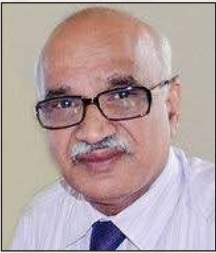

*Dr. B Srinivas Pai*  
**Organising secretary**
