From Editor's pen

Dear senior colleagues and friends,

Wishing you all a very happy Ugadi and a new year ahead.

This is the first issue of Shashtra for this academic year after the conference. Hassan-Chikkamagalur city branch of KSCASI has done a wonderful job and conducted the memorable KSCASICON 2018 in Feb 1st week. We enjoyed academic feast along with cultural extravaganza with Malnad hospitality.

In the general body meeting many significant decisions were taken. Please note and inform all PG students, they will not be allowed to present papers/posters unless they become associate members of ASI. To avoid last minute problems and tension, make sure that all PG students become members at the earliest. Please plan for next conferences KSCASImidCON 2018 (Mysuru) and KSCASICON 2019 (Ballari) from now and get ready with the papers and posters well in advance. Last conference there were many late entries with requests and pressures from various members to accept the papers/posters after the deadline. It was obliged but a serious note has been taken in GB regarding this and under NO CONDITIONS papers/posters are accepted after the announced deadlines. I request all unit chiefs of various medical colleges to take note of this and prepare the students accordingly.

Responsibility of hosting KSCASImidCON 2018 has been given to Mysuru branch and is expected to be held in Aug-Sept 2018. Dates will be announced on website shortly: please watch and visit web site for updates. Presentations in KSCASImidCON also carries same weightage as KSCASICON, as both are official programs of KSCASI.

KSCASI women's wing has been inaugurated at KSCASICON, Hassan.

We welcome some articles to Shashtra in the forthcoming issues. Please report all branch activities and charity work done under the banner of KSCASI. Make sure that KSCASI banner is clearly visible in the photos.

Long live KSCASI,
Regards,

Dr Ramakrishna HK

Chairman's message

From the Chairman's desk...!

Dear Fellow members of the KSCASI,

We enjoyed every moment at Hassan Conference. Excellent arrangements were made by the organizers. Thanks to every member involved in this mega event. I was blessed by the state surgeons, by electing me as Chairman of Karnataka state surgeons.

Soon after the conference I was to attend a CME at Bagalkot, organized by Bagalkot city chapter on 10/02/2012. I gave a lecture on "Future of Surgeons". The love and affection showered me by Bagalkot surgeons made me speechless.

On 11th February I attended a CME at Kalburgi, organized by KBNIMS (Khaza Banda Nawaz Institute of Medical Sciences). It was full day workshop on "Anorectal Diseases". The live surgeries performed by surgeons from Bangalore, Hyderabad and Mumbai were excellent and new modalities like using Laser in surgery were demonstrated. I attended the Inaugural function and spoke on our association and its forthcoming activities.

At Kalburgi I met senior surgeons, including Dr Nagathan and others. I had homely treatment at Kalburgi. Spent evening time with our beloved Dr Shafiuddin and my close friend Dr Sharad Tanga, Past Chairman. In March I am attending meeting at Chennai and a CME at KMC Hubli and at Manipal. My message for this episode of Shashtra is a open invitation for all the past KSC-ASI chairmen to actively participate in the activities of our association. It is not that they got retired after the chairman post. Please actively guide us and help us in strengthening this most beautiful our own surgeon's fraternity.

Dr Dayananda Nooli
Chairman, KSCASI 2018

Secretary's message

Dear Members,

KSCASICON 2018 Hassan was splendid great event of this year & kudos to the Hassan Chikamagaluru team for making it just awesome, the words of organising chairman Dr Lingaraju are still lingering in my ears during: Vote of Thanks – “We are feeling that we are sending the bride to in laws place (Vidai-Bidaai). It was really very touching. They have really pampered us so well. We sincerely thank you all for the wonderful love & care.

Congratulations to the Best Branches: Large Branch Category; Mysore & Bangaluru, Medium Branch Category; Shivamoga & Vijayapura & Small Branch Category; Bagalkot & Hassan – Chikamagaluru.

I feel proud to say that all the branches of our state are working very well in all academic activities & we are receiving the reports of some branches regularly & some are not reporting. I request all the branches to report regularly.

Dr Jaspal Singh has been coordinating with presidents & secretaries all branches. Some of the places have shown interest in starting new branches. He has also enclosed the banner design to be displayed in all your programs(which has to be implemented to consider for State Awards from now on). I request all branches to send the audited or balance sheet /P&L accounts of this year as the branches who do not provide the accounts will not be eligible for the awards.

Thanks to our active chairman who is involving in the branch activities. He has already visited Bagalkote & Kalburgi branches' programs & will attend more in the days to come.

Mysore branch is hosting the KSCmidCON 2018 this year. I seek the support of all the Surgeons, HODs, Staff & Post Graduate students. Kindly participate in this program.

KSCASICON 2019, Ballari will be our annual academic bonanza. ASI Ballari branch is working relentlessly to make it a great even. I humbly request all the members to register at the earliest & oblige.

Long Live ASI

Dr Narayan Hebsur

**KSC ASICON
2019**

Hosts - KSC-ASI, Ballari
Venue : VIMS, Ballari
**15th - 17th
February 2019**

Dear Esteemed Colleagues,
Warm Greetings from the Organizing Committee of KSC ASICON 2019. We thank all the office bearers and you all for giving us the opportunity to host this prestigious conference. It gives us immense pleasure to invite you for forthcoming 37th State Conference to be held at VIMS Ballari in February 2019. We have been conducting 'SURGIQUEST' CME successfully for past seven years annually. We, at VIMS, Ballari recognize that modern surgery is effort-intensive and technology-dependent. We hope to ensure this through extensive scientific deliberations, World Class Live Workshop from National & International faculty, Master Quiz, & PG Master Class for Surgical skill enhancement of the young surgeons and upcoming consultants.

We welcome you to this historic surgical event at Ballari.

KARNATAKA STATE CHAPTER OF ASI - Annual General Body Meeting -3rd February 2018

The proceedings of the Annual General Body Meeting of the Karnataka State Chapter of Association of Surgeons of India held on Saturday, 3rd February 2018 at 5-30PM at Conference Hall, HIMS, Hassan.

Members Present: 116 Members attended the Annual General Body Meeting (as per the register).

1. Welcome by chairman: Dr. T Durganna.

General body meeting notice was read by Hon Secretary Dr Narayan Hebsur. Following names of the surgeons who departed in this previous year were read

- 1) Dr Lakshmikanth
- 2) Dr V A Patil
- 3) Dr Barigidad
- 4) Dr Sharif
- 5) Dr Bhavanishankar

A condolence prayer for the departed souls and silence was observed for a minute in honor of the members. It's a great loss not only to the close family members, but also to us, surgeons of Karnataka to whom they have been good friends and have been a great source of inspiration in all our scientific activities. May their souls rest in peace.

2. Secretary report by Hon Secretary Dr Narayan Hebsur. Dr N.I. Hebsur, complimented Bangalore Medical College for having received award in the national conference at Jaipur and brought laurels to the state.

Dr Narayan Hebsur also congratulated Mysore branch for the donation to the National ASI and told to the audience that the National ASI-SSC was also given contribution, from the conference savings.

Dr Narayan Hebsur congratuled and thanked Belagavi branch and the organisers for having donated a sum of rupees 1 lakh to the state branch.

Dr Siddesh gave a breakup sum of the donations to the National body. He also said that from the remaining amount he wished to donate to the state body an amount of Rs 25 lakhs towards ASI Bhavan and 10 lakhs towards academic activity. He

had a proposal to have ASI Bhavan in Mysore for which he wanted to procure a land. Here Dr Narayan Hebsur said a similar proposal was made by Hubli-Dharwad branch who have already identified a land. They have given preliminary report with land visit, photos etc... Dr Durganna also made a comment that he also has a proposal for a site in Bangalore. It was then accepted by the GB that a land (wherever Mysore/Hubli or Bangalore) which is planned for ASI Bhavan should not be expensive and should be scrutinised properly for purchase or lease. This was proposed by Dr Siddesh and seconded by Dr B.R. Patil.

The Minutes of the AGM held at Belagavi was circulated and was accepted unanimously proposed by Dr Soppimath S S and Seconded by Dr R N Patil.

3. Treasurer Report by Dr. M.B. Patil

The audited accounts for the year 2016-17 and present P/L and balance sheet up to date was presented by Dr M.B. Patil, this was approved by Dr Godhi and seconded by Dr B.R. Patil.

Dr Narayan Hebsur then thanked Dr B.N. Patil, Hubli-Dharwad ASI Branch, Shimogga ASI Branch for contributing 10000/- each and Dr Manish Joshi for sponsoring E shastra.

KSC-ASICON-2018, Hassan: A Report (By Dr Basavaraj)

Here reminiscing a lifetime event- KSC ASICON-18, Karnataka State Chapter- Association of Surgeons of India- 2018 held on 02-02-2018 to 04-02-2018 at Hassan Institute of Medical Sciences, Hassan, Hosted by Hassan-Chikkamagalur Branch, the theme being 'Basic to Best'.

The surgery conference was a milestone in the history of Hassan Institute of Medical Sciences, Hassan. The inaugural function was held on 2nd February in the auditorium. The auditorium was recently renovated and was able to accommodate about 750 individuals. Thus the day 1 of KSC-ASICON started with an inaugural function by lighting the lamp. Scientific session was inaugurated by Dr. Dilip Gode, National President, Association of Surgeons of India.

Dr. T S Jayaram memorial CME was held on Day 1 in the auditorium, which was very well organized by the Organizing Committee and the volunteers. The scientific programme was for about 8 hours, in which reputed speakers from different parts of the state spoke on a wide range of specialties, from the management of most common cases like varicose veins to as complex as Robotic Uro-oncological procedures. To summarize it was a good scientific feast to the audience.

For the first time, Digital Registration was done, which went smoothly. About 800 delegates were registered and were provided with faculty badge and faculty kit at the entrance of the college. Thus the registration and scientific session ended at 6 PM. It was followed by inaugural function.

The inaugural function was started at 6:30 PM, which started by escorting our Chief Guest Dr. A S Kiran Kumar, Ex-Chairman of ISRO, who is from our own district Hassan. He is an Indian Space Scientist and Padma Shri Awardee. He gave an inspiring talk and also a talk about the achievements of Indian Space Research Organization. At the same time, 4th EC meeting was held at the Board room. Thus the inaugural function ended around 9 PM.

On Day 2 and 3 (3rd Feb and 4th Feb), orations, symposiums and paper presentations took place in 6 halls simultaneously. Poster presentation was held on 3rd, 4th February in poster room and winners were awarded. Simultaneously depending on the region, winners were also announced for paper presentation and were awarded for the same .

General Body Election was conducted on 3rd February which was followed by the election for the chairman elect.

All the three days breakfast to dinner was provided, on the first day breakfast and lunch were flavorsome and extremely delicious, the dinner was organized at Ashoka, Hassan hosted by KSC-ASICON 18 .the second day breakfast and lunch were provided at the venue, which was scrumptious and appetizing, and the dinner was organized at PAVANAPUTRA Resort, Hassan. The third day food was provided in the morning which was very delicious followed

by lunch which was very mouth watering.

Special mention should be made about the volunteers which includes a group of 50 students final year medical students of HIMS, who handled the registration stage event management and management of 6 halls for paper presentation. A separate team of audio visuals were set up and they managed excellently well.

The registration committee printed the certificate to the delegates and it was handed over to them at the end of all the events on day 3 and then the KSC-ASICON 18 ended with a vote of thanks to all the delegates, hosts, and volunteers.

Inauguration of KSCASI women's wing

It was a pleasurable moment for all the lady surgeons of Karnataka when women's wing of KSC ASI was launched on 2nd February 2018 during inaugural ceremony of KSC ASI conference held at Hassan by Dr Dilip Ghode, National President of ASI and Dr Durganna, Chairman of KSC ASI. This was supported by Dr C.S. Rajan, past chairman and Dr. Shivaram, past secretary, at the first EC meeting held in Shivamogga 2016. The Women's Wing of KSC-ASI is a part of women's wing of ASI (WASI) and will function as subdivision of ASI. To celebrate as well as to draw a road map for our functioning, we held our first meeting on 25.02.2018 at Karnataka Badminton Association, Bangalore. This was organised by Dr. Mamata. R and Dr. Preeti. Hiremath. At a short notice sixteen members from in and out of Bangalore attended. The office bearers selected were

1. President: Dr. Naaz. Shaikh
2. Secretary: Dr. Preeti. Hiremath
3. EC members: Dr. Anupama, Dr. Poonum, Dr. Shabanum

All concurred on following objectives:

1. As we cater to vulnerable population of the society, women and children, plan to Indulge in need based activities for them. We may have to join hands with other organisations like Rotary, Lion's etc.
2. Though the number of lady surgeons is increasing day by day, hardly a small percentage is seen in conferences. Encourage them not only to attend but to take active participation.
3. Guide the juniors in planning their academics and profession.
4. Create an opportunity to showcase their work.
5. To have representation in executive committee of state and national association.

The decision was taken to have regular meetings during KSCASInidCON, the annual conference and need based meeting.

Last but not the least, together we believe to "ENGAGE, EMPOWER, EXCEL" in our common motto. We look forward for the much needed encouragement and support from KSC-ASI.

Thanks

With warm regards,

On behalf of women's wing KSC-ASI

Dr. Preeti. Hiremath

Secretary
