Chairman's Message

"A man only learns by two things; one is reading and the other is association with smarter people"

- Will Rogers

As Chairman of Karnataka state surgeons, I feel proud myself to attend many medical colleges and city chapter activities.

On 5th of October I attended a annual CME programme at my own institute, JN Medical College Belagavi. Dr. Dilip Gode President ASI was chief guest for the inauguration programme. Dr Prabhakar Kore, Chairman KLE Society, was presiding over the function. Dr Byakodi our state EC member was observer from KMC.

I attended a "Free Endoscopy Camp" arranged by Dr. Naaz, EC member KSC-ASI, at Hospet on 14th October. Eighteen patients underwent free upper GI Endoscopy. This was followed by a CME jointly organized by Vijaynagar Branch and Sakara Hospital, Bengaluru.

On 27th of October I attended a CME and workshop at SN Medical College Bagalkot. Workshop was on laparoscopic hernia repair. It was excellent and informative. I gave a lecture on "Fitness & Surgeon". Postgraduates were trained for staples in surgery. I congratulate all the surgeons of Bagalkot district involved in this mega event.

On 4th November we had an EC meeting at Ballari and visited the conference venue with all EC members. Various aspects of the KSCASICON 2019 were discussed and suggestions were made for the improvement and smooth conductance of the forthcoming state conference. It was followed by a guest lecture on "Liver transplantation" by team from Manipal Hospital, Bengaluru.

On 21st November attended quiz competition was held at MS Ramaiah Medical College Bengaluru, under the leadership of Dr Rajan. I don't have words, to explain how informative and competitive this quiz was! In the coming years our state chapter should involve more actively and support this activity. Our postgraduates must attend this annual CME arranged by surgical society of Bengaluru.

Long live KSC-ASI

Karnataka chapter is one of the most active chapters of ASI. We conducted many major activities and also charity activities. Annual conference of the chapter was held at Hassan on 2nd to 4th Feb 2018. It was a grand success with more than 1000 delegate participation. We are proud to say that our president Dr Dileep Gode was the chief guest and delivered a lecture there. We have 19 city chapters which regularly conduct monthly meetings and CMEs/workshops. Together, this year they have conducted more than 30 programs. We also have organized a few major programs. One is Regional Refresher course. For the first time, KSCASImidCON 2018 was held at JSS Medical College, Mysuru 25th and 26th Aug 2018. Lot of PG students presented papers and posters.
