Welcome Message

It gives us immense pleasure to invite you to the 49th AMASI skill course and FMAS Examination at Department of Surgery, SDM Medical college, Dharwad. The skill course is an Academic and Accreditation activity of the Association of Minimal Access Surgeons of India, the Largest Specialist Association of, Association of Surgeons of India (ASI).

The aim of this skill course is to standardize laparoscopic surgical techniques, and to update the knowledge, keeping up with the current trends. During the course of 3 days, we will try to provide comprehensive knowledge and skills in basic to advanced laparoscopic surgery. There will be extensive didactic Lectures covering from Basic to Advanced Laparoscopic Procedures. Our vision is that every surgeon or Gynaecologist in India should be trained adequately in the art and science of Minimal Access Surgery and every citizen should have access to minimal access surgery.

A written examination and viva voce will be conducted on the last day of the skill course. Successful candidates will be awarded Fellowship in Minimal Access Surgery (FMAS) during the Next National AMASI Conference to be held at Cochin later this year.

This years skill course is a tribute to more than a decade of Laparoscopic surgery in SDM Medical college and KIMS Hubballi, Karnataka India. We sincerely hope that you enjoy this academic feast and a comfortable stay with us.

All Consultant Surgeons, Gynaecologists including the Post Graduates who are interested in the field of Minimal Access Surgery are invited to Join this Laparoscopic Surgery Academic Feast with Fellowship Examination FMAS, (FMAS not for P.G'S) in Department of Surgery SDM Medical College Dharwad, Karnataka, India on 28th 29th 30th July 2017.....
