

## Bagalakote Oct 2018

We are much delighted to inform you that KSC-ASI has successfully conducted CME AND WORKSHOP ON LAPAROSCOPIC HERNIA REPAIR AND GI STAPLERS on the 27<sup>th</sup> and 28<sup>th</sup> of October 2018. Ninety delegates had registered and 85 have attended the conference. The program was very much appreciated by all the delegates who had attended. It was very much useful to the consultant surgeons and post-graduates students in Surgery.

Dr Dayanand Nooli, President KSC-ASI had attended the workshop. He and the guest speakers Dr Ashwin Masurkar and Dr Rahul Mahadar were felicitated.

**WELCOME MESSAGE**

It gives me immense pleasure to invite you to the historical place with rich cultural heritage of Chalukya Dynasty, Bagalkot for CME and Workshop on Laparoscopic Hernia Repair and GI Staplers. Laparoscopic Hernia repair is going to be the future of hernia surgery and use of GI Staplers in the abdominal anatomy will be the pride of the surgeons. Eminent speakers with rich clinical experience will be discussing about Laparoscopic anatomy & demonstrating laparoscopic Inguinal Hernia Mesh Repair, TEP and TAPP. There will be demonstration of the use of GI Staplers & hands on training of GI Staplers, Laparoscopic Knotting & Bowel anastomosis. On behalf of Department of General Surgery and KSC-ASI Bagalkot city branch I heartily invite you to attend the CME and Workshop and enjoy the feast of clinical experience in the field of Laparoscopic Hernia repair and GI Staplers.

Dr. S. N. Halbhavi  
President KSC-ASI Bagalkot City Branch
