

KARNATAKA STATE CHAPTER OF  
ASSOCIATION OF SURGEONS OF INDIA

*In association with*

DEPARTMENT OF SURGERY  
RAJARAJESHWARI MEDICAL COLLEGE

*Conducts*

## Hands on Workshop on Evidence Based Surgery

**Including Research Methodology**

*Practice of modern surgery demands an evidence based approach. This workshop gives the participant an overview of this process with a hands on, practical approach.*

*It is a must for all postgraduates and young surgeons who want to improve their surgical practice and if possible undertake simple research & publish/present.*

*This is not only filled with talks on practical points but also most appreciated hands on sessions to get introduced to the topic.*

**Modules include talks and exercises on:**

**What actually is EBS?**

**How to get reliable Evidence?**

**Statistics made simple**

**How to Critically appraise a paper?**

**Essentials of drawing up a research protocol**

**How to actually Conduct a Journal Club?**

**How to make an impressive paper presentation?**

**Learn ABC of writing a scientific paper**
